QUALITY WOODCRAFT MISSION

Quality Woodcraft is a family-owned business since 2001 that is committed in giving our customers the highest quality workmanship. We build outdoor storage solutions and structures of superior craftsmanship and outstanding value that are designed to last. A well-built, attractive structure not only protects your items but enhances the overall appearance of your property. Ask for quotes on custom sizes, styles, and accessories.

PAINTING

We can custom paint your shed and trim to closely match the color of your home. The cost for custom painting is 15% of the shed base price. All sheds come standard with primed trim boards.

DELIVERY & DISCLAIMERS

- Site preparation: 3/4" crushed rock, 3 to 5 inches deep is recommended to evenly support a building. The rock provides a level base for the structure and helps absorb splattering caused by rain runoff. All buildings come with pressure treated foundation beams and floor joists, eliminating the need for concrete blocks. Pricing does not include site preparation.
- The home owner is responsible for obtaining any necessary permits required for placement of any structure.
- Prices and designs are subject to change without notice.
- Prices include delivery to prepared site up to 30 miles.
- Additional charges will apply for building on site.
